

# IAOM PRODUCT SHOWCASE

## A P P L I C A T I O N

### Deadline to apply is November 1, 2009

The IAOM Product Showcase allows exhibiting companies to promote products that are featured only on the exhibit floor. The showcase presentations will be conducted on the Expo floor in the general session on Wednesday, April 21. Eligible products include both new products and existing ones that have new applications.

### Eligibility Criteria

Acceptable products for the showcase must be either

- 1) **New and Innovative** – products introduced after May 2009 that are both new and innovative. Products must not have been previously exhibited at IAOM.
- 2) **Major Improvement, New Application** – products that show significant improvement in accuracy, cost, size, safety, ease of use, effectiveness, etc., or an existing product that has a new application in the milling industry.

### Submission Requirements

- Product must be from an exhibiting company at the 2010 IAOM Expo.
- Exhibiting company must be the manufacturer or exclusive distributor of the product.
- The product must be exhibited in the IAOM 2010 Expo hall.
- Only products may be showcased; services are not eligible.
- All products must comply with FDA guidelines.
- Submit one application per product.
- 75-word description must be submitted as Microsoft Word document with completed application.
- The description should be an informational paragraph, NOT an advertisement. The presentation should emphasize how the new product/service will improve/enhance milling operations.
